## Busy Term

The first term of the academic year is always a busy one with children settling in to new classes and routines, parental engagement events and also the Christmas cheer that is spread at the end. Well done to the children for their hard work and effort in lessons - the Governors enjoy popping into to school and chatting with children and staff about what they have been learning about. We are looking forward to more Governor visits in the Spring Term.

## New Parent Governors

As you know, we advertised for a Parent Governor to come forward via the school newsletter. We are pleased to share with you that two Parent Governors have been appointed and we welcome Jade Franklin and Craig Armstrong to our Governing Board.

## Christmas at Springmoor

Our very first SGS Christmas Fayre was a huge success. We were overwhelmed with how many people, from within and outside of our school community, attended and supported. A huge thank you to the staff and Friends of Springmoor Grange for organising it and giving up their weekend. We appreciate the support for Team SGS.

## Christmas Performances

It has once again been a pleasure to welcome parents and carers into SGS for the wonderful Christmas performances . All of the children took to the stage so well and it was clear that we have lots of talented actors and singers in our team. It is always special to watch our youngest children perform their first nativity and our oldest their final Christmas performance of Primary. We would like to thank North East Doors for providing funding for microphones—it made a huge difference. Thank you to the staff, parents and carers for your support in making sure these important events happen.

## Out and About in the Community

The Springmoor Songbirds have been busy over the last couple weeks performing for different members of our local community, including the Mayor's Carol Concert and visiting local care homes. The children were all fantastic ambassadors and showed great kindness towards our community. Thank you to Miss Todd and Miss Simpson for organising.

## Merry Christmas!

Finally, we would like to thank the children, families and staff for their hard work, support and dedication and we wish you all a healthy and happy festive period and best wishes for 2026.
