Volume 39 – Friday 17th July 2026

Thank You

It has been another fantastic year at Springmoor Grange School. Thank you to all of the children, every member of staff, and all of our families for their efforts and hard work throughout the year. We would also like to thank our Governors and Friends of Springmoor Grange for volunteering and supporting our school in their free time – we really appreciate it. Team SGS is the best team and we all look forward to making more memories next year. I hope that you all have a great summer break and look forward to seeing you on Thursday 3rd September 2026.

Goodbye and Good Luck Year 6

It was great to celebrate the end of the Year 6 journey with parents and carers yesterday and the whole school came together to watch the performance on Wednesday. All those who attended were so proud of the children and it was fantastic to be able to spend time with one another after sharing memories. Year 6 – you are all superstars and ready for the next chapter of your life at secondary school – good luck!

Nursery Graduation

On Wednesday, we invited families into Nursery to watch the Nursery Graduation. This was an excellent celebration of the children's achievements during their time in Nursery. We would like to take this opportunity to wish all our leavers every happiness as they begin their primary school journey in Reception. For those children who are leaving us to move on to another school, we will miss you very much and your new schools are very lucky to have you. For those that are staying with us, we can't wait to welcome you to Reception in September.

Happy Retirement Mrs Cox and Mrs Cool

After working at Ox Close and Springmoor for 22 years between them, Mrs Cox and Mrs Cool are packing up their pencil cases and retiring. I am sure that you will join me in thanking both staff for their commitment and dedication to teaching and supporting children over the years. We will miss them both and hope that they enjoy their well-deserved retirement.

Good Luck Miss Day

Miss Day initially started with us as a trainee teacher at Ox Close before gaining a permanent position. Although it is sad that Miss Day is leaving us, we are over the moon that she has secured a promotion working in another school in Co. Durham. We wish Miss Day the best of luck in her new role – we all know that she is going to be AMAZING!

2026 – 2027 Meet The Teacher

Following the success of the events, we are going to once again hold Meet the Teacher evenings at the beginning of the new academic year. This will be an opportunity for parents and carers to meet the staff in each phase, find out important information about the year ahead. The events are designed for adults so ideally children should not attend.

Here are the dates:

Monday 7 th September	5pm – Reception
Tuesday 8 th September	5pm – Years 3 and 4
Wednesday 9 th September	5pm – Years 5 and 6
Thursday 10 th Septmeber	5pm – Years 1 and 2

We look forward to seeing you all in September.

Years 1 to 6 - Junior parkrun – Wednesday 15th July 2026

On Wednesday, children in KS1 and KS2 took part in mock junior parkrun around our school grounds. The children completed 3 laps of the school course which equated to 2 kilometres. Well done to all of the children – you all demonstrated great determination and endurance throughout. Big thank you to the Victoria Jubilee Junior parkrun team for volunteering in their own time to make the event possible and to the staff for supporting in roles in order to make the event a success.

Victoria Jubilee Junior parkrun takes place every Sunday morning at 9am in Jubilee Park. More information can be found here: [home](#) | [Victoria Jubilee junior parkrun](#) | [Victoria Jubilee junior parkrun](#)

The Reading Agency - Summer Reading Challenge

The Summer Reading Challenge is the UK's biggest reading for pleasure programme for primary school children in libraries, encouraging children to read for fun during the school holidays. The challenge takes place during the school summer holidays in most UK public libraries. Children can sign up in person at a library or online. Children can set a reading goal, read whatever they like - books, eBooks, audiobooks, picture books, and earn stickers, rewards and certificates.
